ESTATE WINES

The historic Château de Vullierens estate vineyard is cultivated following strict ecological guidelines. Chasselas, Pinot Noir, Gamay, Gamaret, Garanoir and Galotta grape varieties are all planted. The Germanica Iris, found throughout our gardens, is shown on our labels. This beautiful flower has won the American Iris Society's highest distinction, the Dykes Prize.

Our white Chasselas, winner of the Gold Medal in the Grand Prix du Vin Suisse in 2009, is floral and structured, and pre-

sents a fine terroir. Dressed in magnificent ruby, our Pinot Noir offers a refined fruity bouquet and subtle, smooth tannins. The beautiful deep red of our Gamaret-Garanoir incites anticipation for its notes of black and red fruits. With an ample bouquet, it is rounded in the mouth with hints of spice. The Portes des Iris caterers recommend the Estate's wines to accompany their dishes. Our bottles can also be given as thank-you gifts to guests.
